

DERBY JUNIOR LAWYERS

Derby Junior Lawyers is the junior division of the Derby and District Law Society. The DJL is an organisation for trainee solicitors, paralegals, trainee patent and trademark attorneys, law students, and qualified solicitors and attorneys with up to 5 years' experience who live, work or study in Derbyshire. We organise and host professional development, networking and social events for the benefit of our members. We also work to promote the role of junior lawyers and law students in Derby and represent them regionally and nationally.

MEMBERSHIP
