Sponsorship

Gold Patronage Package

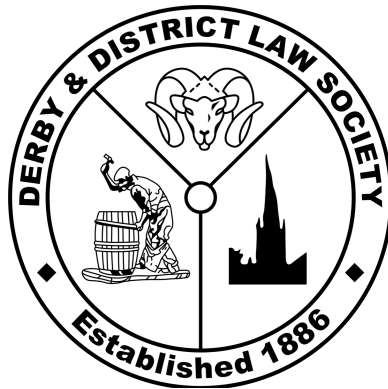

Our commitment to our Patrons is to give exclusivity on patronage. We would not accept another patron in the same field as you during your time as a Patron of DDLS. Should you sponsor an event also that would give you exclusivity on sponsorship of that particular event within your field. Donate Charity Raffle Prizes

Each year, the President of the Society nominates his/ her chosen Charity to support that year. This year Lucy has chosen Positive Social- a Derby based charity that presents interactive sessions in schools and other organisations to help young people take back control of their lives from social media.

You can help us donate funds for the charity at this difficult time by:-

1- Donating a prize that will be the subject of a raffle at the Annual Awards Dinner

Or

2- Become a sponsor for any of the events specifically being held to raise funds for the Charity.
